Dear Colleagues,

The 2012 Annual Meeting of the Western Section of The Wildlife Society (2012 Annual Conference) will be held Wednesday, February 1 through Friday, February 3, at the Radisson Hotel in Sacramento, California. The Western Section of The Wildlife Society is composed of nearly 1,000 members from California, Nevada, Hawaii, and the Pacific Islands, many of whom regularly attend our annual conference. In addition, a number of professional wildlife biologists from all parts of the country may attend due to the quality and variety of wildlife research papers that will be presented during the conference.

The purpose of this letter is to announce the availability of sponsorship opportunities for the 2012 annual conference. Sponsor a refreshment break! Guide the future of the wildlife management profession by sponsoring the Student Resume Workshop or the Student-Professional Lunch... Sponsorships range from $500 to $2,500 - and we'll consider more!

All sponsors receive recognition in the conference program, and at the sponsored event and awards banquet. Sponsorships at $1,000 will also include either complimentary exhibit space or a complimentary meeting registration (or both at $1,500 and higher), web links and more. Please contact John McNerney (jmcnerney@cityofdavis.org) for additional information or to sign-up. Sponsorship opportunities are limited and "first come, first served."
